

Make a Lion Face or Mask

You'll need:

1 paper plate
white paper to paint on
glue, scissors
paint, pen markers, crayons

Paint the back of the paper plate with yellow paint, let dry.

Mix up some yellow, yellow-orange, and yellow-brown paint.

Using this paint make hand prints all over a large sheet of white paper.

Make at least eight hand prints but more if you like.

When paint is dry, cut around each hand print, leaving a longer section at the wrist, like a glove.

Glue your hand paintings to the front of the paper plate, as shown in the picture below.

Draw a lion face on the yellow side of your plate. Cut out 2 yellow ears. Glue on.

If you want to make a mask, punch a small hole on each side, as shown. Tie on elastic.

An adult can help make the eye holes with scissors.
